B) GERMAN LANGUAGE LESSONS

The language course alone consists of a **total of 78 lessons** (one lesson = 45 minutes).

Lessons take place **Monday to Friday** in the mornings from **9:15 to 10:45 and 11:15 to 12:45** and on Wednesday, 14th and Wednesday, 21st also from 14:15-15:45.

These 78 lessons are compulsory for all participants who want to gain a certificate with credit points in the end of the course (→see also certificate information below).

In the afternoons, participants can join **optional tutorials** to further practise their different skills (in a playful manner):

- *ORAL GERMAN (3 times, six different levels → oral German, listening comprehension, vocabulary)*
- *PHONETICS (twice, for different levels → pronunciation & listening comprehension)*
- *CHOIR/SINGING (4 times, for all levels → pronunciation & vocabulary)*
- *WORKSHOP LITERATURE & CREATIVE WRITING (twice, for all levels → reading, writing, vocabulary)*
- *MOVIE NIGHTS (4 movies, 2 with English + 2 with German subtitles → listening comprehension & vocab.)*
- *MINI PROJECTS (4 times, depending on the levels on topics like typical German, migration, proverbs, German pop, improv/drama games et al. → oral German, listening & reading comprehension, vocabulary)*

These tutorials are included in the course fee.

Moreover, many further free extracurricular activities will take place in the afternoons and evenings, i.e. sports, cooking, international cultural evenings, dance eves, parties, hikes, excursions, etc.: → see point C.

All teachers have years of experience in the field of German as a Foreign Language (Deutsch als Fremdsprache - DaF), both in and outside of the university. In the optional language tutorials students of didactics and methodology of German as a Foreign Language will practise conversation and more with you.

Course levels

We will offer **10 courses/groups** for different levels: from Basic Level A1.1 to Advanced Level C1.

An appropriate level for each student is assessed by means of a written placement test on Saturday, 03/08. On the first day of class your teacher will test if your speaking skills and listening comprehension also match the assessed level. If you feel that the assessed level is not right for you (too difficult or too easy), you can still change levels until 07/08. Each group will consist of 10 - 16 students/participants.

The summer course covers approximately half a CEFR level (Common European Framework of Reference for Languages), i.e. B1.1 or B1.2, not the complete B1 level.

Lessons will cover all four skills (speaking, writing, listening, reading) as well as grammar and special vocabulary training. However, the focus in all levels will be on the improvement of your oral communication skills. Textbooks and depending on the level material collected and prepared by the teachers are used in lessons (i.e. texts addressing current cultural and academic topics, literary texts and newspaper articles).

Certificate

All participants can receive an ECTS certificate (European Credit Transfer System) upon finishing the course. This requires regular attendance as well as successful participation in the tests conducted during the instructional period (some levels might replace one test with a presentation).

You must not miss more than 12 lessons of 45 minutes (= 3 mornings).

You can get up to 6 credit points and a grade will be given to evaluate your performance.

► There won't be a standardised final test, so the summer course certificate is not an exam-certificate like Zertifikat Deutsch, Goethe-Zertifikat or DSH/TestDaF.

C) FREE TIME ACTIVITIES

In the afternoons and evenings various cultural and social events take place: such as sports, cooking evenings, dance evenings and different kind of parties. Participants can present their home countries on so-called "international cultural evenings". There will also be a hike to a look-out tower with a picnic afterwards as well as a guided town walk and other activities in the old town centre. Furthermore, we will go on three day trips to beautiful towns in the nearby federal states:

- **Mediaeval times in the Harz (low mountain range):**
visit of the UNESCO World Heritage town Quedlinburg (guided town walk), and afterwards visit of castle Falkenstein including a flight presentation of birds of prey (falcons and other)
- **German classics in Weimar (the town of Goethe, Schiller, Bauhaus, et al.):**
guided town walk and a visit to Goethe's residence
- **Romantic times & adventure in Marburg (the town where the brothers Grimm went to university):**
guided town walk and visit of the climbing park

All the before mentioned activities are included in the course fee. However, on excursion days participants need to take care of their lunch and other meals themselves and they also have to pay for sights they visit on their own (only transport and the planned collective visits of sights are included in the course fee).

Extra offers (not included in the course fee):

Day trip to castle Marienburg and to Lake Steinhude on Sunday, 18th, fee approx. € 25-30

Day trip to the museum Grimm World and to hillside park Wilhelmshöhe on Sunday, 25th, fee approx. € 25-30
